INVITATION

Open Management Development Seminar: Leadership in the New Europe

Led by

Claire Dickson, Henley Management College, Czech Republic

British Embassy, Budapest V, Harmincad u. 6

Friday 7th October 10-12am

Dear

As a major centre of leadership development, Henley is proud to present this highly interactive and participative event as part of its promotional drive in Hungary. It will therefore be useful for all those involved in senior management who are keen to develop their leadership skills. Claire Dickson, Henley's representative in the Czech Republic, has worked in people management for several major organisations.

This would be an ideal opportunity to learn more about Henley's high quality training and development programmes as one of Europe's leading business schools. Following the presentation there will be a chance to informally discuss Henley's activities in Central and Eastern Europe with Henley staff over a light buffet lunch. I would also like to point out that Henley will be present at the World MBA Fair at the Marriott Hotel in Budapest on Monday October 24th.

For understandable security reasons at the embassy it is necessary to register beforehand by responding to this invitation. Could you please let me know how many of you will be attending and we look forward to meeting you on October 7th.

Yours sincerely

Tim Gittins
Henley Management College Hungary
